YES, it's True ~ Another Year Gone By
Vergennes Partnership 2023-24 Membership Drive is on!
 SO much is happening throughout the Little City;
 SO many great people behind it all ~

From a Little City Rooftop!

As a business within our Up, Down & All around Main community, YOUR support of Vergennes Partnership is a wise investment. Whether your business is recently established or has been on the Vergennes scene for generations, together, the collective richness of the mix is remarkable and worthy of a rooftop shout!

The Partnership's FY22-23 Top 3 Success Stories:

- **A Better Basin Block:**

Initiated by the Partnership & in collaboration with the City, a \$40,000 Vermont Downtown Transportation Grant funded the new sidewalk that was completed this past spring in record time!

- **Vermont Arts Council Animating Infrastructure Grant:**

The first public art project stemming from a 2021 Municipal Planning Grant, stay tuned as we re-imagine the Green Street bus shuttle stop with local artist, Kat Clear.

- **We made the Globe!**

Due to the Partnership's persistent efforts, the City of Vergennes was featured in the Travel section of the Boston Globe on Sunday, May 7th. The big city newspaper continues to spark even more tourists to the Little City!

We extend our sincere thanks to YOU for the role your business serves in making Vergennes such a remarkable little city. Grants, press and incredibly dedicated people have played pivotal roles along the way.

Your (tax deductible) support is essential as we seek new opportunities to promote Vergennes - making the city an even more vibrant place to live, work and play. To make a one-time or monthly donation, your support is just two clicks away: online at **www.VergennesDowntown.org** This I know for sure, your membership dollars make a difference and help maintain a strong foundation for the organization. Thank you for your consideration!

Sincerely,
