Building Commerce, Community & Culture

YES, it's True ~ Another Year Gone By Vergennes Partnership 2023-24 Membership Drive is on!

SO much is happening throughout the Little City;

~ Individual Membership is Crucial to our Success ~

From a Little City Rooftop!

Building a Better Basin Block

Featured in the Boston Globe!

Whether you reside in Vergennes, live in the surrounding towns, are here for the summer, or simply visit from time to time,
the LOVE for the Little City knows no bounds.

Past support of Vergennes Partnership has brought the City to new heights in becoming the vibrant place that it is today. Now, we ask for your support during the VP's annual membership drive. A membership like no other, it's an INVESTMENT in YOUR community.

With businesses and individual members together, the collective richness of the mix is remarkable and worthy of a rooftop shout!

The Partnership's FY22-23 Top 3 Success Stories:

- **A Better Basin Block:**
Initiated by the Partnership & in collaboration with the City, a \$40,000 Vermont Downtown Transportation Grant funded the new sidewalk that was completed this past spring in record time!
- **Vermont Arts Council Animating Infrastructure Grant:**
The first public art project stemming from a 2021 Municipal Planning Grant, stay tuned as we re-imagine the Green Street bus shuttle stop with local artist, Kat Clear.
- **We made the Globe!**
Due to the Partnership's persistent efforts, the City of Vergennes was featured in the Travel section of the Boston Globe on Sunday, May 7th. The big city newspaper continues to spark even more tourists to the Little City!

Year around, our downtown provides a unique sense of place and community. Grants, press and incredibly dedicated people have played pivotal roles along the way.

Your (tax deductible) support is essential as we seek new opportunities to promote Vergennes. To make a one-time or monthly donation, your support is just two clicks away: online at **www.VergennesDowntown.org** Know that your membership dollars make a difference and help maintain a strong foundation for the organization. Thank you for your consideration!

Sincerely,

Julie Nelson Basol
